There are 15 motels, with 764 rooms, in Hemet.

There are 49 mobile home and RV parks in Hemet with 6,988 mobile home spaces and 1,858 RV spaces.

Housing Availability, Prices & Rentals

Remarks

Hemet has been well-known throughout Southern California as a retirement community. However, the same features which made this area a retirement hot spot are now attracting younger families as well. Hemet is an economic spark in the mid-County region. Hemet is home to manufacturers for precision measurement devices, high quality molds and tools and recreational vehicles. The City of Hemet is located in the center of a highly productive agricultural area and is the principal gateway to the San Jacinto Mountains recreational area. The community population supports an active and growing retail sector. At present, there are over 2 million square feet of new retail uses being proposed to join the already existing commercial centers that make Hemet the hub of commercial activity in the region. Hemet is home for the nationally-renowned Ramona Pageant, an annual outdoor cultural event depicting the early life of the Hemet Valley. Hemet is also the home to Diamond Valley Lake, which is the largest reservoir in Southern California. Diamond Valley Lake is fast becoming the finest fishing destination in Southern California for bass and trout.
