Narratives**Summary of Distribution and Uses of NSP Funds:**

NSP3 funds will be used for the following primary activities, plus administration:

- (1) Acquisition, rehabilitation, and resale to first-time homebuyers - \$12,845,160;
- (2) Acquisition, rehabilitation, and rental of affordable units - \$0;
- (3) Neighborhood Stabilization Homeownership Program (NSHP) - \$0;

(4) Acquisition and Rehabilitation of Foreclosed, Vacant Properties, or New Construction of Multi-Family Rental Projects - \$0;

(5) Redevelopment of vacant or demolished properties, or the reconstruction and redevelopment of acquired or demolished residential properties, for single family, multifamily housing projects and public facilities - \$1,341,000;

(6) NSP program administration: administration costs will not exceed 10% of the NSP3 grant and 10% of program income - \$1,427,240.

How Fund Use Addresses Market Conditions:

The purpose of the NSP3 funds is to address the negative ramifications of the housing foreclosure crisis that occurred over the past six years due to subprime mortgage lending which, nationally, resulted in significant numbers of homeowners entering into foreclosure and entire neighborhoods becoming vacant and abandoned. These targeted funds will be used to acquire foreclosed homes; demolish or rehabilitate abandoned properties; and to offer purchase price assistance and closing cost assistance to low-, moderate- and middle-income (LMMI) or very low-income (VLI) homebuyers.

Ensuring Continued Affordability:

For homebuyers, the County of Riverside will record a deed restriction against title to the property requiring owner-occupancy by an initially determined first time home buyer whose annual household earnings do not exceed 120% of the area median income. This affordability period will be allowed to terminate when homeowner repays the loan upon transfer, sale or refinancing of the home, or upon expiration of the 15 year affordability period.

For single-family rental units, the County of Riverside will record a regulatory agreement against title to the property requiring affordable rents to the very low-income population or those households earning not more than 50% of the area median income.

For multi-family rental units, the County of Riverside will require rents affordable to the very low-income population or those households earning not more than 50% of the area median income for a minimum period of fifty-five (55) years. The County will record a regulatory agreement against title to the property requiring property management and maintenance in addition to affordable rents for the term of the regulatory agreement.

In accordance with the NSP regulations, in the case of previously HOME-assisted properties for which affordability restrictions were terminated through foreclosure or deed in lieu of foreclosure, an NSP grantee will be required to reinstate the HOME affordability restrictions for the remaining period of HOME affordability or any more restrictive continuing period of affordability required by any other financing source participating in the NSP project.

Definition of Blighted Structure:

The County of Riverside defines blight consistent with the California Health and Safety Code definition of a blighted structure as:

Blighted, abandoned or unoccupied residential properties, which may require rehabilitation to improve sustainability and attractiveness of housing and neighborhoods, will be eligible under this use. Abandoned, vacant or demolished will also be included in the definition of blight.

California Health and Safety Code Section 33030

It is found and declared that there exist in many communities blighted areas that constitute physical and economic liabilities, requiring redevelopment in the interest of health, safety, and general welfare of the people of these communities and of the state.

A blighted area is one that contains BOTH of the following:

An area that is predominately urbanized, as the term is defined in section 33320.1, and is an area in which the combination of conditions set forth in Section 33031 is so prevalent and so substantial that it causes a reduction of, or lack of, proper utilization

- a. of the area to such an extent that it constitutes a serious physical and economic burden on the community that cannot reasonably be expected to be reversed or alleviated by private enterprise or governmental action, or both, without redevelopment.
- b. An area that is characterized by one or more conditions set forth in any paragraph of subdivision (a) of Section 33031 and one or more conditions set forth in any paragraph of subdivision (b) of Section 33031.

A blighted area that contains the conditions described in subdivision (b) may also be characterized by the existence of inadequate public improvements or inadequate water or sewer facilities.

California Health and Safety Code Section 33031

This subdivision describes physical conditions that cause blight:

- a. Buildings which are unsafe or unhealthy for persons to live or work. These conditions can be caused by serious building code violations, serious dilapidation and deterioration caused by long-term neglect, construction that is vulnerable to serious damage from seismic or geologic hazards, and faulty or inadequate water or sewer utilities.
- b. Conditions that prevent or substantially hinder the viable use or capacity of buildings or lots. This condition may be caused by buildings of a substandard, defective or obsolete design or construction given the present general plan, zoning or other development standards.
- c. Adjacent or nearby incompatible land uses that prevent the development of those parcels or other portions of the project area.
- d. The existence of subdivided lots that are in multiple ownership and whose physical development has been impaired by their irregular shapes and inadequate sizes, given the present general plan, and zoning standards and present market conditions.

This subdivision describes economic conditions that cause blight:

- a. Depreciated or stagnant property values.
- b. Imp

Definition of Blighted Structure:

aired property values, due in significant part, to hazardous wastes on property where the agency may be eligible to use its authority as specified in Article 12.5 (commencing with Section 33459).

- c. Abnormally high business vacancies, abnormally low lease rates, or an abnormally high number of abandoned buildings.
- d. A serious lack of necessary commercial facilities that are normally found in neighborhoods, including grocery stores, drug stores, and banks and other lending institutions.
- e. Serious residential overcrowding that has resulted in significant public health or safety problems. As used in this paragraph, "overcrowding" means exceeding the standard referenced in Article 5 (commencing with Section 32) of Chapter 1 of Title 25 of the California Code of regulations.
- f. An excess of bars, liquor stores, or adult-oriented businesses that has resulted in significant public health, safety, or welfare problems.
- g. A high crime rate that constitutes a serious threat to the public safety and welfare.

Definition of Affordable Rents:

The County of Riverside will adopt the affordability requirements in the HUD HOME program as set forth in 24 CFR 92.252 (2) (2) for rental housing and in 24 CFR 92.254 for homeownership housing.

Housing Rehabilitation/New Construction Standards:

- a. Newly constructed, substantially rehab or gut rehab (as defined by HUD) of single or multi-family residential structures being funded using NSP3 assistance must, at project completion, meet all applicable regulations in accordance with Minimum Standard Riverside County Codes (<http://www.tlma.co.riverside.ca.us/building/>) as well as all locally adopted codes.
- b. The County of Riverside will also adopt the HUD defined Housing Quality Standards (HQS) as its standard for all NSP3 projects requiring different levels of rehabilitation. NSP3 recipients will be required to adhere to the strictest housing rehabilitation standards mentioned above.
- c. When rehabilitating NSP3 properties the County of Riverside will require to the extent feasible the replacement of older obsolete products and appliances (such as windows, doors, lighting, hot water heaters, furnaces, boilers, air conditioning units, refrigerators, clothes washers, and dishwashers) with Energy Star labeled products. Water efficient toilets, showers, and faucets, such as those with the WaterSense label, must be installed.
- d. All requirements of 24 CFR Part 35 as related to lead-based paint shall apply to NSP3 activities.

In addition to the above housing rehabilitation standards the County of Riverside has adopted, the County is also adopting green standard elements that all NSP3 recipients must follow to the maximum extent feasible.

- a. For substantial rehab, gut rehab, or new construction of residential properties up to three stories, the County of Riverside will adopt the standard for Energy Star Qualified New Homes (http://www.energystar.gov/index.cfm?c=new_homes.nh_features). For substantial rehab, gut rehab or new constructions of residential properties that are mid -or high-rise multifamily housing will be designed to meet the American Society of Heating, Refrigerating, and Air-Conditioning Engineers Standard 90.1-2004, Appendix G plus 20 percent. (<http://www.ashrae.org/technology/page/548>).

Vicinity Hiring:

Local Hiring Requirement: To the maximum extent feasible, the County will impose a local hiring requirement on all NSP3 recipients. Every contract or agreement with any private entity receiving NSP3 funds (NSP3 recipient) from the County of Riverside, either as a partner in development or sub-grantee, shall include provision requiring a local hiring requirement and imposition of Section 3 thresholds. The local area vicinity will be defined as the NSP3 target area in which the developer is contracted for.

All NSP3 recipients shall be required to develop and submit to the County 30 days prior to construction, a Local Hiring Schedule that establishes the hiring process, workforce needs, and approximate timetable to be followed by the NSP3 recipient and subcontractors for construction hiring to achieve the overall requirements of the local hiring requirement. The Local Hiring Schedule shall include an estimate of: number of workers or work hours required per month, per day, per trade, and total for the project.

Prior to commencing work, a Letter of Assent must be signed by NSP3 recipients and their subcontractors working on NSP3 funded projects. The letter states that all parties doing construction work on NSP3 funded projects have read, understands, and accept the terms of the County of Riverside NSP3 local hiring requirement, and are aware that they are bound to fulfilling the requirements. Evidence will have to be provided to the County of all efforts made to adhere to this requirement.

Procedures for Preferences for Affordable Rental Dev.:

The County of Riverside has transferred the initial allocation for rental housing to the primary activity of acquisition, rehabilitation and resale to eligible first-time homebuyers.

Overall Progress Narrative:

As of December 31, 2016, Riverside County has a NSP3 budget of \$25,961,409 which includes the original grant of \$14,272,400 plus \$11,689,009 in program income. In addition, the County used \$20,000 in Fannie Mae funds to assist NSP3 activities. Since inception of NSP3, the County has identified 75 eligible projects. A total of 74 single-family units have been rehabilitated and sold to qualified first time home buyers. One affordable multi-family and 38 units are underway to be built for an affordable multi-family rental complex consisting of 38 units is under construction in Beaumont.

The County is required to set aside \$6,490,352 which is 25% of the total NSP3 budget. A total of \$8,237,033 was obligated for very low-income acquisition and rehabilitation projects or 32% of the total budget. Also, the County will allocate 10% of the program income towards administration.

New Project – Illinois Ave Apartments, Beaumont. On March 18, 2016, the project received Authority to Use Grant Funds (Form 7015.16) from HUD. On November 15, 2016, the Riverside County Board of Supervisors approved the use of NSP3 funds with LINC-Beaumont APTS LP for the development and construction of Illinois Avenue Apartments, a 38 unit apartment complex on vacant land at the west side of Illinois Ave in the City of Beaumont. A total of 18 NSP-assisted units will be set aside for very low-income family households (50% AMLI) for a period of 55 years.

Overall under NSP3, as of December 31, 2016, a total of 112 NSP eligible properties were acquired and obligated \$24,278,894 (170% of original grant) and drawn down \$22,254,032 (156% of original grant).
