It provides detailed information on the resources the County expects to receive and the specific activities to be undertaken to meet the priority needs identified in the Consolidated Plan. Upon completion of the Citizen Participation process, the review and considerations of comments, and the approval by the Board of Supervisors, the County will prepare and submit the final 2018-2019 One Year Action Plan of the 2014-2019 Five Year Consolidated Plan to the U.S. Department of Housing and Urban Development.
