CONSTRUCTION NOTICE
Jacqueline Cochran Regional Airport Tenants

April 16, 2019

This notice includes information on the scheduled pavement improvements for the Runway and Taxiway Rehabilitation Project located at Jacqueline Cochran Regional Airport (TRM) scheduled to begin May 20th and is anticipated to end July 11th.

The Project will require runway and taxiway closures in order to optimize the construction work necessary to complete the project. Runway 17/35 and Taxiway F are the two main surfaces affected during this project. However, this project also includes four nights where all taxiways and runways will be closed. Please see exhibits included in this document.

Below is an outline summarizing the sections of pavement affected during each phase of construction.
